THE AUDIENCE

This is the room your brand wants to be in. The Crimson & Cream Classic convenes accomplished professionals, executives, founders, and business owners from across the Bay Area — high-value, loyal, and influential decision-makers with the means, and the inclination, to back brands that show up for their community.

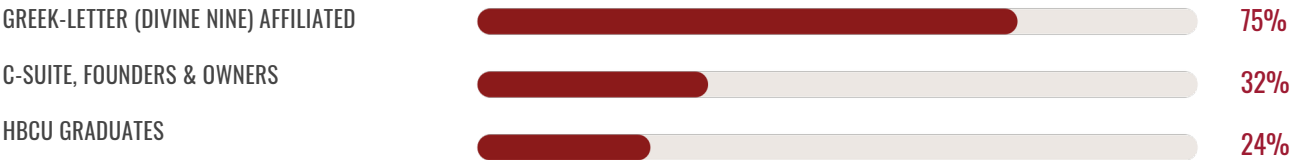

WHERE OUR GUESTS HAVE BUILT THEIR CAREERS

The companies in the room — by sector.

A CONNECTED, ENTREPRENEURIAL COMMUNITY

Lifetime memberships, generational loyalty — brands that show up here get talked about long after the round ends.

Figures reflect a verified sample of past guests profiled through public records; the income figure is an estimate for the leadership tier against the ~\$135,000 Bay Area median household income (U.S. Census, 2024). A registrant survey will extend these figures to the full field. Company logos reflect employers of individual past guests (current or former) and do not imply sponsorship or endorsement.

SPONSORSHIP BENEFITS

All sponsorship levels include tax-deductible giving through Bay Area Community Project, Inc. 501(c)(3). Proceeds fund scholarships and mentoring for underrepresented Bay Area students.

ACTIVATIONS

A logo gets seen. An activation gets used. Every named activation puts your brand in a guest's hands at a moment they'll remember — a contest they win, a pour they taste, a station they visit — with your name attached from the first swing through the last auction paddle.

EXPANDING OUR IMPACT

For five years, the Crimson & Cream Classic has invested in college-bound scholars. Now, we're **broadening our reach to meet young people earlier in their journey** — before the college application, before the scholarship essay, at the moments where access and exposure make all the difference.

YOUTH ATHLETICS & STEM

Reaching students before they reach the application

We are building partnerships with youth-serving organizations across the Bay Area to fund athletic development and hands-on STEM programming. By investing in young people during their formative years, we create pathways to excellence that begin long before college.

ACCESS & PREPARATION

Ensuring talent isn't limited by access

We are developing need-based support for the resources that change trajectories. Too often, preparation for college and competitive athletics is available only to families who can afford it. Our goal is to close that gap for deserving Bay Area students.

YOUR SPONSORSHIP BUILDS THE FOUNDATION

Program partners and application details will be announced in 2027. By sponsoring the 5th Annual Crimson & Cream Classic, you are investing in both proven scholarship programs and the next chapter of community impact.

Help us reach students earlier. Help them go further.

Dear Potential Sponsor,

On Monday, October 19, the 5th Annual Crimson & Cream Classic brings 100+ golfers and a 150-seat evening gala to Stonebrae Country Club — one of the most concentrated single-day gatherings of Black executives, founders, and senior professionals in the Bay Area.

Two-thirds of our verified attendee sample holds Director-level roles or above; the room includes leadership from Wells Fargo, Chevron, Netflix, Sutter Health, JLL, and the University of California system, alongside the Regional and National leadership of two of the country's most networked Black professional organizations.

Sponsorship puts your brand inside that room, not just on a banner: on-course activations where guests engage your product directly, stage recognition at the awards banquet and Black Art Auction, and digital reach into our 310-professional network before and after the event.

And because the Classic is produced by Bay Area Community Project, Inc., a 501(c)(3), your investment is tax-deductible — funding scholarships that have sent 86 Bay Area students to Howard, UC Berkeley, Spelman, UCLA, and beyond, with \$147K awarded across five years.

We'd welcome a 15-minute conversation about which placement fits your brand.

Sincerely,

Erica Bohler
